REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To the Board of Directors of
Depa Limited
Dubai, UAE

Introduction

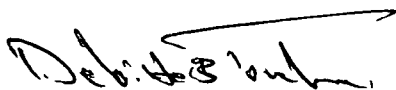

We have reviewed the accompanying condensed consolidated statement of financial position of Depa Limited (the "Company") and its subsidiaries (together the "Group") as of 30 June 2012, and the related condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Financial Reporting Standard IAS 34, "*Interim Financial Reporting*". Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with IAS 34, "*Interim Financial Reporting*".

3 Summary of significant accounting policies

Basis of preparation

The condensed consolidated financial statements were prepared in accordance with International Accounting Standard 34, "*Interim Financial Reporting*".

The condensed consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments which are recorded at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

The same accounting policies, presentation and methods of computation have been followed in these condensed consolidated financial statements as were applied in the preparation of the Group's audited consolidated financial statements for the year ended 31 December 2011.

Basis of consolidation

The condensed consolidated financial statements incorporate the financial statements of the Company and entities (including special purpose entities) controlled by the Company (its subsidiaries). Control is achieved where the Company has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

The results of subsidiaries acquired or disposed of during the period are included in the profit or loss from the effective date of acquisition or up to the effective date of disposal, as appropriate.

Where necessary, adjustments are made to the condensed financial statements of subsidiaries to bring their accounting policies in line with those used by the Group.

All inter-Group transactions, balances, income and expenses are eliminated on consolidation.

Non-controlling interests in the net assets of consolidated subsidiaries are identified separately from the Company's equity therein. Non-controlling interests consist of the amount of those interests at the date of the original business combination and the non-controlling entity's share of changes in equity since the date of the combination. Losses applicable to the non-controlling entity in excess of the minority's interest in the subsidiary's equity are allocated against the interests of the Company except to the extent that the non-controlling entity has a binding obligation and is able to make an additional investment to cover the losses.

Details of the Company's subsidiaries are summarised as follows:

Name of subsidiary	Proportion of ownership interest and voting power		Country of incorporation	Principal activities
	2012	2011		
Depa United Group P.J.S.C.	100%	100%	U.A.E.	Management activities of holding Company
